Curricular Innovation: Essentials for Nurse Educators

Tim Bristol, PhD, RN, CNE, is an E-learning specialist and consultant who teaches face-to-face (f2f) and on-line courses in undergraduate and graduate nursing programs. Tim has provided faculty development for public and private institutions, facilitated strategic planning for E-learning, and served as a coach for faculty and administrators. Tim also assists organizations in developing effective instructional design for f2f, clinical, and lab resource centers.

Curricular Innovation: Essentials for Nurse Educators

KLN Nurse Educator Conference 2010

Join with colleagues as we examine new technology and its uses in our classrooms. This conference is designed for nursing faculty and those interested in nursing education.

We will meet in the Conference Center of the General Butler State Resort Park, Carrollton, Kentucky. A block of rooms has been reserved for the conference. For reservations, call the park directly at 866.462.8853 prior to April 1, 2010. Be sure to indicate that you are attending the KLN Conference to receive a special room rate. There is no charge for vehicle parking.

Bluegrass Community and Technical College (Provider Offering No. PDH-N 90-02) will award 13.2 KBN approved nursing CE contact hours for the May 13-14, 2010 program. All sessions must be completed and evaluations submitted to receive CE credit. Kentucky Board of Nursing Continuing Education units are awarded based on length of course and successful completion. KBN approval of an individual nursing continuing education provider does not constitute endorsement of program content.
