Integrating Informatics into the Curriculum

Massachusetts/  
Rhode Island League for  
Nursing

**Speaker:**  
Judith J. Warren, PhD,  
RN, BC, FAAN, FACMI

**Panel:**  
Maryellen D. Brisbois, MS,  
RN, PHCNS-BC  
Barbara A. Colocino, BSN,  
FNP, RN, RMA  
Elizabeth A. Walendziewicz,  
MSN, RN

**Date: 10/16/09**

Pleasant Valley Country Club  
Sutton, Massachusetts

**Purpose:**

To increase knowledge of informatics and determine how to incorporate informatics into all levels of nursing programs.

**Objectives:**

At the conclusion of this program the participants will:

- Define informatics including its impact on healthcare
- Describe healthcare informatics competencies
- Design learning strategies to ensure healthcare competency attainment
- Implement strategies for adding informatics assignments into the curriculum
- Discuss success stories for implementing informatics and technology

**Speaker:**

Judith J. Warren, PhD, RN, BC, FAAN, FACMI is coordinator of the graduate healthcare informatics specialty track at the University of Kansas School of Nursing, as well as the Director of Nursing Informatics in the University of Kansas Center for Healthcare Informatics. She was the informatics faculty member on the QSEN competency project and a member of the TIGER competency work group. Dr. Warren is a Fellow in both the American Academy of Nursing and the American College of Medical Informatics and is an ANCC certified Informatics Nurse.
