

2010 NLN ELECTIONS CANDIDATE BIOGRAPHIES

NATIONAL LEAGUE FOR NURSING ADVISORY COUNCILS

The NLN Advisory Councils promote opportunities for members to network and to address and influence significant issues in nursing education, ongoing nurse educator workforce development, and the use of technology in education. A Board of Governors' liaison to each advisory council's executive committee facilitates communication between that council and the Board of Governors.

ETIMAC—EDUCATIONAL TECHNOLOGY INFORMATION MANAGEMENT ADVISORY COUNCIL

The purpose of ETIMAC is to promote the effective use of technology in nursing education, both as a teaching tool and an outcome for student and faculty learning, and to advance the integration of information management into educational practices and program outcomes.
