

2010 NLN ELECTIONS

CANDIDATE BIOGRAPHIES

NATIONAL LEAGUE FOR NURSING ADVISORY COUNCILS

The NLN Advisory Councils promote opportunities for members to network and to address and influence significant issues in nursing education, ongoing nurse educator workforce development, and the use of technology in education. A Board of Governors' liaison to each advisory council's executive committee facilitates communication between that council and the Board of Governors.

NEWDAC—NURSE EDUCATOR WORKFORCE DEVELOPMENT ADVISORY COUNCIL

The purpose of NEWDAC is to provide the leadership that advances the lifelong learning goals of nurses whose primary role is education in academic, practice, or other service settings, nationally and internationally.
