SPOTLIGHT

Debriefing for Meaningful Learning (DML)

Good debriefing doesn't just happen. It's the result of the application of evidence-based methods that use Socratic reasoning and critical conversations to guide students to reflect in, on, and beyond the clinical experience. [Register for the April 12 – 13](#) deep-dive into debriefing, the essential component of practice teaching. Knowledge leaders, Drs. Kristina Thomas Dreifuerst, Susan Forneris, and Jone Tiffany will teach you how to engage students in critical conversations and the usage of the Debriefing for Meaning Learning Method.
