TITLE VIII NURSING WORKFORCE REAUTHORIZATION ACT

This legislation reauthorizes the Health Resources and Services Administration's (HRSA) Title VIII nursing workforce development programs through FY 2024

The Title VIII Nursing Workforce Reauthorization Act includes the Clinical Nurse Specialist (CNS) definition in the Advanced Education Nursing (AEN) Grants Program

CNSs can serve on the National Advisory Council on Nurse Education and Practice

The bill amends the AEN program to include the Clinical Nurse Leader in the definition of advanced education nurses

The Title VIII Nursing Workforce Reauthorization Act adds Nurse Managed Health Clinics to list of eligible entities in the definition section of the Title VIII statute

TITLE VIII PROGRAMS

- Gives grants to schools to prepare APRNs & faculty for practice
- Gives diversity grants to increase opportunities for individuals from minority backgrounds
- Expand the nursing pipeline & supports retention
- Give loans to schools to support nurse faculty production
- Give scholarships & loans to nurses who work in a nursing shortage area after graduation
