Enter Event Code: **23530100**

(Invitation code does not apply)

Click on “**Begin Registration**”

### SEATING IS LIMITED.

**PLEASE REGISTER TODAY!**

This series is strictly for healthcare providers treating patients with stable ischemic heart disease. Patients, and spouses or guests who are not healthcare providers in this disease state are not permitted to attend. If you are a commercial employee and/or healthcare provider who receives full-time or part-time employment compensation from a commercial company (collectively “Commercial Employees”) you must disclose this information to Practice Point Communications prior to attending an Expert Exchange® lecture. In our efforts to maintain a fair and balanced educational lecture series, Commercial Employees will be provided, and asked to comply, with the Expert Exchange® Do's & Don'ts policies. Attendees who do not comply with these policies will not be permitted to attend future lectures.

### TARGET AUDIENCE

Expert Exchange lectures are designed for providers who are involved in the clinical care of patients with stable ischemic heart disease. Lectures are intended for physicians, physician assistants, nurse practitioners, registered nurses, and pharmacists, but attendance is not guaranteed.

Upon completion of this CME/CE activity, participants should be able to:

- Describe the goals of therapy in patients with diabetes and chronic stable ischemic heart disease (SIHD)
- Review approaches to risk stratification for patients with diabetes and SIHD and the probability of developing coronary heart disease
- Discuss current thinking on use of optimal medical therapy versus surgical and interventional approaches in the management of patients with diabetes and chronic SIHD

### TO REGISTER

To register for this activity, please visit [www.expertexchange-sihd.com](http://www.expertexchange-sihd.com) using the provided event code (an invitation code does not apply). If you have any questions, please contact Roberta Bartlett at Practice Point Communications at (813) 891-6999 or via email at [rbartlett@practicepointinc.com](mailto:rbartlett@practicepointinc.com).

### ACCREDITATION AND DESIGNATION STATEMENTS

University of Nebraska  
Medical Center  
BREAKTHROUGHS FOR LIFE.™

#### Physicians

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the University of Nebraska Medical Center (UNMC) and Practice Point Communications. UNMC is accredited by the ACCME to provide continuing medical education for physicians.

The University of Nebraska Medical Center, Center for Continuing Education designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

University of Nebraska  
Medical Center  
COLLEGE OF NURSING

#### Nurse Practitioners/Nurses

The University of Nebraska Medical Center College of Nursing Continuing Nursing Education is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's (ANCC) Commission on Accreditation.

Provider approved by the California Board of Registered Nursing, Provider #13699.

This activity is provided for 1.0 contact hours under ANCC criteria or 1.2 contact hours by California Provider for successful completion of this educational activity.

Note: The ANCC accreditation criteria compute 1 contact hour for each 60 minutes of learning activity. California requirements compute 1 contact hour for every 50 minutes of learning activity. Nurses should only claim credit consistent with the actual time they spent attending the learning activity.

#### Pharmacists (PharmDs/RPhs)

The University of Florida College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education (UAN #0012-9999-14-025-L01-P). This activity is accredited for 1 hour of continuing pharmacy education (CPE) credit. The University of Florida College of Pharmacy will report all credit to CPE Monitor within 30 working days after receiving evidence of successful completion of the course. Successful completion means that you must attend the entire program and complete an evaluation form.

Note: Effective January 1, 2012 all pharmacists are required to provide their NABP e-Profile ID # and Date of Birth (in MMDD format) for issuance of CE credits. Please go to the following website for full details: <http://www.acpe-accredit.org/pharmacists/cpemonitor.asp>.

*Detailed faculty disclosures are listed within the slide presentations and located within the handout materials.*
