Director, Clinical Simulation Laboratories, University of Maryland

A True Inspiration

In appreciation for her leadership in the design, development, and implementation of simulation in nursing education, The NLN Foundation for Nursing Education and Laerdal Medical Corporation establish the Debra L. Spunt Lecture to be held each year at the National League for Nursing Education Summit.

Debbie was a fellow in the American Academy of Nursing, and a member of the American Nurses Association, the Maryland Nurses Association, the National League for Nursing, the Maryland League for Nursing, and Sigma Theta Tau, the International Honor Society of Nursing. She co-founded the International Nursing Association for Clinical Simulation and Learning and served as its first president.

As a thoughtful participant in the plans for her legacy, Debbie created the Debra L. Spunt Clinical Simulation Practice and Research Endowment at the University of Maryland School of Nursing. This endowment supports the use of clinical simulation laboratory equipment. We ask you to join us in celebrating Debbie’s life and honoring her legacy by contributing to the Spunt Clinical Simulation Practice and Research Endowment.

To make a secure online gift to benefit the Spunt Endowment, please visit our website: www.nursing.giving.umaryland.edu. Please make your gift to the Spunt Endowment in the “Specify an Endowment” section as you make your online credit card gift. Funds for the Spunt Endowment are administered by the University of Maryland Baltimore Foundation, Inc. (UMB Foundation).
