Create an NLN Account

1. Go to www.NLNtest.org, select the "STUDENTS" or "FACULTY."

2. In the right corner, select "SIGN UP."

3. Fill out your information, including *your institution* from the drop-down list.

Note: If you had an account previously, please use the same email when you register for this new system.

A mobile-style sign-up form titled "Sign up" with a close button (X) in the top right corner. It features the NLN logo at the top. Below the logo are five input fields: "Name", "Last Name", "E-mail", "Password", and "Confirm Password", each with a small icon on the left and a visibility toggle on the right. Below these is a "Select institution" dropdown menu. At the bottom is a blue "Sign up" button.

4. After you click "Sign Up," you will receive an email with a verification code. Follow the instructions in the email to complete the sign-up process.

Purchase an Exam

1. Use the link at www.nlntest.org to log in to your account.
2. At the top of the screen, select the "STORE" tab.

3. A list of exam sessions will display. Find the session you need to register for, and click "Learn More."

4. A pop-up window will show you additional information about the test session and allow the purchase of the test by clicking "Add to Cart."

5. Once "Add to Cart" is selected, you have the option to "Continue shopping" or "View cart."

6. Once in the cart, verify you selected the correct test session to purchase.
7. When you are ready to purchase, click "Proceed to Checkout."

8. Confirm the purchase in the pop-up window by clicking "Proceed to Checkout" again.

9. Enter your payment information. After the test has been purchased, you'll receive the "Payment successful" screen below and an email receipt sent to you.

10. The purchased test will be on "MY DASHBOARD." Either click the green "Go to My Dashboard" button on the screen or select "MY DASHBOARD" from the top navigation bar to schedule your exam.

Schedule an Exam

1. Use the link at www.nIntest.org to log in to your account.
2. At the top of the screen, select the "MY DASHBOARD" tab.

3. To schedule the test, click "Register for Proctoring."

4. The link will re-direct you to Proctor360 scheduling page where you can schedule the exam.

5. Select the time and date.
6. Verify the Time Zone is correct (it should auto-populate for you).
7. Review the EXAM RULES and click the "I have read and agree to the exam rules" checkbox.
8. Click "Schedule Your Exam Time Now" to complete your test registration.

System Check

Before test day, make sure to complete a system check on the computer you'll be using for the exam. If you do not complete computer checks prior to the day of your appointment, you risk exceeding your check-in window and incurring a \$30 no-show reschedule fee that you would need to pay to Proctor360.

1. Log into your account via www.NLNtest.org.

2. At the top of the screen, select the "MY DASHBOARD" tab.

3. To check a test session, click "Register for Proctoring" to launch Proctor360.

4. On the top navigation menu, select "Dashboard."

Proctor360

Dashboard Support

5. In the Upcoming Exams section, click the orange "System Check" button.

6. You will be guided through a system check to verify your computer will work.

****YOU WILL NEED ADMINISTRATOR ACCESS TO YOUR DEVICE IN ORDER TO FOLLOW THE FOLLOWING STEPS**

*****Only Mac and Windows devices are approved*****

Open Privacy and Security and scroll down to **Proctor360SystemMonitor.pkg** and select **Open Anyway**

Proctor360

You'll receive the following pop up, please select Open

Select Continue to proceed with the installation

Proctor360

Select **Install** to complete the installation

Optionally users can **Read License** then select **Agree** to complete the installation

Proctor360

Once the installation is complete return to the exam check in page and select **Open Proctor360 App**

The following pop up will appear. Please choose **Open System Settings**

Proctor360

Enable Proctor360SystemMonitor on the right side

Proctor360

Once completed you're all set, you should receive the following messaging.

If you run into any issues please refresh the page and you can restart the download process and go back through each step.

Exam Administration Guidelines

The National League for Nursing upholds strict rules and procedures during online exam sessions to protect the integrity of the assessment and ensure that all test scores are accurate and reliable—just as they are for candidates testing at on-site test centers.

Our online testing policies mirror those enforced at on-site test center. If you've studied and are well-prepared, you can approach the exam with confidence. We are continually improving our online testing processes to make your experience as smooth, secure, and stress-free as possible.

Below are a few key rules you need to be prepared to follow:

Allowed Materials

During your exam session, your testing space must be clear of any prohibited materials, notes, or study guides. During the check-in process on exam day, you will be required to submit a scan of your desktop and the surrounding space to verify that you have no prohibited material accessible during the exam.

The following items are the *only* items allowed during your test session:

- Basic 4-function Calculator
- Dry Erase Board (no larger than 8.5" x 11")
- Dry Erase Marker
- Dry Erase Board Eraser

All other materials MUST be removed from your desktop/testing area prior to the start of the exam!

A clear, secure testing space is crucial to online testing integrity.

Online Testing Environment Rules

- You must be alone in a secure area with no other individuals or distractions in the testing area.
- No headsets or earbuds are allowed.
- One mobile device will be used as a 2nd camera. All other mobile devices are prohibited in the testing area at all times during the exam.
- Only ONE monitor can be connected to your computer during the exam. Your proctor will not let the test session begin until any additional screens are disconnected and removed from the testing space.
- The testing area must be silent with no other background noise. There is no speaking allowed during your test. This is required to maintain equity with students who test in-person.
- No Smart Watches or similar IOT devices are allowed. Make sure you remove any watches or similar devices before beginning the check-in process for your exam session.

There are no restroom breaks allowed during the majority of the exams. Plan accordingly.

Exam Day

1. Use the email link provided after your system check from **noreply@proctor360exams.com** to connect to your proctored session. You can also log in from your Proctor360 Dashboard.

2. Click "Take Exam."

3. Click "Start Check-in."

4. On the bottom right of your screen is a chat box. Use this to communicate with your proctor before and during testing.

5. Start the screen share. On the top right, select "Entire Screen."
6. Select the image of your screen.
7. Click "Share."

8. Allow the proctor access to your webcam. Click "Access My Webcam."

9. The proctor will need to verify your identity. You will be asked to take a picture of your face, as well as your identification. Be sure to monitor your chat box, in case your proctor provides further instructions.

10. Verify the security of your testing area. Your desk must be clear of any materials, and you must be alone in a quiet space. Use your webcam to show that your desk and testing environment are clear. Once you are ready, select the "Start Recording" button.

11. When you are finished, click "Complete Recording."

12. You will now set up your mobile camera. Use your mobile device to scan the QR code and click "My Mobile Cam is Ready".

Mobile Camera Instructions

1. Open the Chrome Browser App on your Mobile Device.
2. Scan the QR code below or go to proctor360.com/scan to scan the code.
3. Allow access to your mobile camera and microphone if asked.
4. Select your front or back camera using the drop down menu.
5. Click "Access My Camera".

Waiting for mobile camera

My Mobile cam is ready

The image shows a light blue instructional panel. It contains a numbered list of five steps for connecting a mobile camera. Below the list is a square QR code. Underneath the QR code, the text "Waiting for mobile camera" is displayed. At the bottom of the panel is a blue button with the text "My Mobile cam is ready".

Once the positioning of the mobile camera is correct, the proctor will approve it and you can click "Start Session".

If you run into any issues during your exam, please communicate with the proctor via chat located at the bottom right of the screen.
