

PRESERVING NLN HISTORY

NATIONAL LEAGUE FOR NURSING

Be a champion for preserving the rich history of nursing, nursing education, and nursing accreditation. The Barbara Bates Center for the Study of the History of Nursing, University of Pennsylvania School of Nursing, has partnered with the NLN to preserve its past in an archival repository for scholarly historical research initially funded by the Independence Foundation. The NLN Collection includes digitized records of annual conventions (1893-1952) and selected publications, as well as an extensive video library. The collection will eventually include leadership biographies, correspondence and historic milestones. Make a financial donation today.
